Hi Mike,

Thanks for the call in info. Planning would be the ones to deal with any issues related to the actual plan submittal. My office would only be regarding the required revisions for Reg. 13. If you want to talk about plan related issues, I can track down the right folks to invite.

Hi Laura,

Thanks. Would Planning handle the Coachella issue?

We are fine with doing a conference call.

Let's use the traditional conference call info for the time being:

Ex. 6 Personal Privacy (PP)

I hope all is well with you.

Mike

Hi Mike,

I've sent out an invite to the NSR crew for the call. Do we need anyone else on the call, some on from planning?

Also, we received an email yesterday that we are being discouraged from using Zoom for internet security reasons, so we may need to just do a call in number or I could check on setting it up with Skype or Microsoft Teams from our end.

Hi Laura,

We are going to be cancelling the RECLAIM/NSR meeting. We received several calls saying that now is not the right time for our meetings.

Can we use the time to meet with your team directly instead?

We want to discuss what we need to do for Coachella.

Regards,  
Mike

Hi Mike,

Will EPA be given any special access, or should I just use the zoom link sent with the mtg announcements from Kevin? Just checking.

Thanks!
